RECENT HEADLINES — NOVEMBER 2025

Class 10 Student Dies by Suicide

"He told school counsellors he was going to commit suicide, but none of them informed us."

— Victim's aunt

Class 11 Student Blames Teacher

17-year-old left note accusing teacher of harassment. Family unaware of her suffering.

— Rewa district, Madhya Pradesh

"Schools — meant to be safe spaces — are becoming emotionally unsafe for the very students they are meant to nurture."

— Gulf News, November 2025

The Solution: Train Every Teacher

Students spend **1,000+ hours per year** with teachers — often more waking hours than with parents. Teachers are positioned to recognize warning signs

SWISS Essentials Certification — Tier 1

Safe • Welcoming • Inclusive • Supportive Schools

5 CORE REQUIREMENTS
